

We've partnered with The Home Depot Canada Foundation to help raise funds for RAFT!

DID YOU KNOW? The Home Depot Canada Foundation is committed to preventing and helping to end youth homelessness, having recently reached their goal to invest \$50 million across Canada by 2022 while extending it to \$125 million by 2030. Together this support works to break cycles of inequity and enable at-risk youth facing homelessness to achieve positive development outcomes and realize their full potential.

The Orange Door Project campaign, The Home Depot Canada's national fundraising campaign is one of its many fundraising components. From May 30th, 2023 until June 25th, 2023 The Home Depot Canada customers can make a donation online (orangedoorproject.ca) or in-store in support of a local youth-focused housing charity.

All funds raised at the St. Catharines Home Depot store during the campaign will support RAFT.

Encourage your friends, family members, neighbours and colleagues to support the campaign today!
